## INFORMED CONSENT FORM FOR HIV TESTING

In order for us to evaluate your eligibility for insurance coverage, we request that you provide a blood or other bodily fluid sample for HIV testing and analysis. The test that will be performed will determine the presence of antibodies to the HIV virus. By signing and dating this form, you agree that the HIV antibody test may be performed on your blood or other bodily fluid sample and that underwriting decisions may be based on the test results. A positive test result will adversely affect your insurance application. It also may result in uninsurability for life, health, or disability insurance for which you may apply in the future.

### HUMAN IMMUNODEFICIENCY VIRUS (HIV)

The HIV virus causes a life-threatening disorder of the immune system called Acquired Immune Deficiency Syndrome (AIDS). Antibodies to HIV are found in the blood and other bodily fluids of people who have been exposed to the virus. You do not have to have AIDS to have antibodies against HIV. The virus is spread by sexual contact with an infected person, by exposure to infected blood (as in needle sharing during intravenous drug use or, rarely, as a result of a blood transfusion), or from an infected mother to her new-born infant.

The HIV antibody test is actually a series of tests performed upon your blood or other bodily fluid sample by a medically accepted procedure which is extremely reliable. The testing will be performed by a licensed laboratory.

### PRE-TESTING CONSIDERATION:

Many public health organizations have recommended that before taking an HIV virus antibody test a person seek counseling to become informed about the implications of such tests. You may wish to consider counseling, at your expense, prior to being tested.

### DISCLOSURE OF TEST RESULTS:

All test results are confidential, except as provided by law. State law requires that the laboratory notify the Ohio Department of Health of positive test results.

The results of the test will be reported to the insurance company named on your application for insurance. The Insurer may not by law, release positive test results except as provided below:

- If your HIV antibody test result is normal (negative), you will not be notified. You will be notified of an abnormal (positive) test result if you indicate that you desire a positive result be made known to you. You may also identify another person to whom you want the positive results released.
- If you want a physician or other health care provider to be notified of an abnormal HIV antibody test result, you must indicate the name and address of that physician or provider.
- Abnormal test results may be disclosed to persons hired by the Insurer who participate in medical underwriting decisions of the Insurer. Abnormal test results may also be disclosed to affiliates of the Insurer who require the result for medical underwriting purposes.
- In addition, if your HIV antibody test is abnormal, a generic code signifying a nonspecific blood, oral fluid (saliva) or urine abnormality may be made known to the MIB, LLC (MIB). The MIB is an organization of life and health insurance companies which operates as an information exchange on behalf of its members. There will be no record with the MIB that you had a positive HIV antibody test; however, there will be a record at the MIB that you have some blood, oral fluid or urine abnormality. If you apply to another MIB member company for life or health insurance coverage, the MIB, upon request, will supply the information on you in its file to that member.

### TEST RESULTS:

While a positive test result does not necessarily mean that you have AIDS, it does mean that you are at a greater risk of developing AIDS or AIDS-related conditions if you do not take appropriate medications. If you are infected with HIV, you are infectious to others. You should seek medical follow-up care with your personal health care provider.

HIV test results are highly reliable but not 100% accurate. If the test gives a positive result you should consider retesting in order to confirm the result. If the test gives a negative result, there is still a small possibility you may be infected with HIV. This is most likely to happen in recently infected persons. It takes at least 4 to 12 weeks for a positive test result to develop after a person is infected, and may take as long as 6 to 12 months.

**OTHER SOURCES OF INFORMATION:**

For more information about HIV or AIDS you may ask a doctor, a nurse, a counselor, or call the Ohio AIDS Hotline at 1-800-332-AIDS (2437). The hotline is a free call.

**CONSENT FOR HIV TESTING:**

I have read and I understand this HIV test informed consent form. I voluntarily consent to the withdrawal of blood or to the providing of another bodily fluid sample, the testing of my blood or other bodily fluid for HIV antibodies, and the disclosure of the test results a described above. I will be given a copy of this form. This consent is valid for ninety (90) days from the day of my signature below. The Insurer agrees to complete testing and provide the authorized notifications, as appropriate, within the 90 (ninety) day period. In addition, Protective Life Insurance Company or its reinsurers will make a brief report of any personal health information to the MIB.

In the event of a positive test result:

## DESCRIPTION OF INFORMATION PRACTICES

(Including MIB, LLC Notice and Fair Credit Reporting Act Notice)

### **DISCLOSURE OF INFORMATION**

In considering your application for insurance, information from various sources must be considered. These include the results of your physical examination, if required, and any reports Protective Life may receive from doctors and hospitals who have attended you.

Information regarding your insurability will be treated as confidential. Protective Life, or its reinsurers, may, however, make a brief report of any personal health information thereon to the MIB, LLC ("MIB"), which operates an information exchange on behalf of insurance companies that are members of MIB Group, Inc. If you apply to another MIB member company for life or health insurance coverage or a claim for benefits is submitted to such a company, MIB, upon request, will supply such company with the information about you in its file.

Upon receipt of a request from you MIB will arrange disclosure of any information in your file. Please contact MIB at 866-692-6901 or go to its website at [www.mib.com](http://www.mib.com) to request disclosure online. If you question the accuracy of the information in MIB's file, you may contact MIB and seek a correction in accordance with the procedures set forth in the Federal Fair Credit Reporting Act. The address of MIB's information office is 50 Braintree Hill Park, Suite 400, Braintree, Massachusetts 02184-8734.

Protective Life, or its reinsurers, may also release information from its file to other insurance companies to whom you may apply for life or health insurance, or to whom a claim for benefits may be submitted. Information for consumers about MIB may be obtained on its website at [www.mib.com](http://www.mib.com).

### **INVESTIGATIVE CONSUMER REPORT**

Furthermore, as part of our procedures for processing your insurance application, an investigative consumer report may be prepared by one or more of the commercial agencies offering this service whereby information is obtained through personal interviews with your neighbors, friends, or others with whom you are acquainted. This inquiry includes information as to your insurance risk score, character, general reputation, personal characteristics or behavioral and lifestyle factors, except as may be related directly or indirectly to your sexual orientation. You have the right to be personally interviewed if we order an investigative consumer report. You also have the right to receive a copy of the report by making a written request to Protective Life, within a reasonable period of time, to receive additional detailed information about the nature and scope of this investigation.

### **YOU CAN REVIEW AND CORRECT YOUR INFORMATION**

As a general practice, we will not disclose personal or privileged information about you to anyone else without your consent, unless a legitimate business need exists or disclosure is required or permitted by law. You are entitled, upon request, to receive a more detailed statement of our information practices. You also have the right to access the personal information about you that we have in our records. You may see a copy of the information, or we will send it to you, whichever you prefer. You also have the right to request correction of personal information we may have about you which you think is wrong.
