INFORMATION AND AUTHORIZATION FOR BLOOD, URINE OR ORAL FLUID TESTING

TESTING INFORMATION

In connection with your application for insurance, a blood, urine or oral fluid sample will be obtained for the purpose of laboratory testing to provide necessary medical information concerning your insurability. These tests may include (but are not limited to) tests for cholesterol and related lipids, diabetes, liver, kidney, or immune disorders, the presence of medications, drugs, or their metabolites, and the presence of the Human Immunodeficiency Virus (HIV, which is the virus that has been associated with the Acquired Immune Deficiency Syndrome or AIDS). All tests will be done using medically accepted and reliable procedures.

If an HIV Antibody Screen is performed, it will be performed according to the following medical protocol: an initial ELISA test; if the initial ELISA test is negative, a negative finding is reported by the laboratory to Protective Life Insurance Company, hereinafter referred to as the Company; if it is positive, it is repeated. If the second ELISA test is positive, a Western Blot test is used to confirm the previous positive results. If the second ELISA test is negative, a third ELISA test is performed. If the third ELISA test is positive, a Western Blot test is used to confirm the previous positive tests. If the third ELISA test is negative, a negative result is reported by the laboratory to the Company. Only if at least two ELISA tests and a Western Blot test are positive, will the result be reported as positive. All other results will be reported as negative or indeterminate by the laboratory to the Company.

If your HIV antibody test is positive, there is a very high probability that you have been infected with the virus. A positive test does not mean that you have AIDS. It does mean, however, that you are at risk of developing AIDS or AIDS related conditions. A positive test result would also adversely affect your insurance application. An indeterminate test result means that your insurability cannot be determined and that you should be retested by your personal physician in six months to one year.

If your HIV antibody test is negative, you most likely have not been infected by the virus. However, it is possible you have been recently infected with the virus and have not yet developed antibodies.

You will be notified if a serious abnormality on any test is found, and upon receipt of your authorization, the results will be sent to a physician of your choice.

All test results will be treated confidentially, positive HIV and/or hepatitis/antigen tests may be reported to your state department of health as required or permitted by law. If the Company receives any abnormal test results, a report may be made to the MIB, LLC (Medical Information Bureau), as disclosed to you at time of application. Results of a positive HIV test will be reported by means of a generic code indicating a non-specific abnormality. Other abnormal results, such as elevated blood sugar or cholesterol, may be reported by a more specific code. In addition, the results of the tests could be disclosed without your consent in response to a subpoena.

INFORMED CONSENT AND AUTHORIZATION FOR BLOOD, URINE OR ORAL FLUID TESTING

I have read and understand the above Blood, Urine or Oral Fluid Testing Information. I hereby authorize the Company's designated medical facilities to obtain samples of my blood, urine or oral fluid and to perform laboratory tests on those samples including, but not limited to, a test for the presence of the Human Immunodeficiency Virus (HIV or AIDS Virus). I further authorize the disclosure of the test results only to the Company, its reinsurers, and the MIB, Inc. and as required or permitted by law. The test results will not be disclosed to any other individual or organization without a court order or written authorization from me.

MINNESOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION NOTICE

**NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN INSOLVENCY UNDER THE MINNESOTA LIFE AND HEALTH INSURANCE
GUARANTY ASSOCIATION LAW**

If the insurer that issued your life, annuity, or health insurance policy becomes impaired or insolvent, you are entitled to compensation for your policy from the assets of that insurer.

The amount you recover will depend on the financial condition of the insurer. In addition, residents of Minnesota who purchase life insurance, annuities, or health insurance from insurance companies authorized to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

Minnesota Life and Health Insurance Guaranty Association
4760 White Bear Parkway, Suite 101
White Bear Lake, MN 55110
Phone: 651-407-3149
FAX: 651-407-3150

The maximum amount the guaranty association will pay for all policies issued on one life by the same insurer is limited to \$500,000. Subject to this \$500,000 limit, the guaranty association will pay up to \$500,000 in life insurance death benefits, \$130,000 in net cash surrender and net cash withdrawal values for life insurance, \$500,000 in health insurance benefits, including any net cash surrender and net cash withdrawal values, \$250,000 in annuity net cash surrender and net cash withdrawal values, \$410,000 in present value of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant's lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be \$500,000 in present value. Unallocated annuity contracts issued to retirement plans, other than defined benefit plans, established under section 401, 403(b), or 457 of the Internal Revenue Code of 1986, as amended through December 31, 1992, are covered up to \$250,000 in net cash surrender and net cash withdrawal values, for Minnesota residents covered by the plan provided, however, that the association shall not be responsible for more than \$10,000,000 in claims from all Minnesota residents covered by the plan. If total claims exceed \$10,000,000, the \$10,000,000 shall be prorated among all claimants. These are the maximum claim amounts. Coverage by the guaranty association is also subject to other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the guaranty association's limits, you may still recover a part or all of that amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The guaranty association assesses insurers licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from this assessment.

THE COVERAGE PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY OR POLICY, YOU SHOULD NOT RELY ON COVERAGE BY THE GUARANTY ASSOCIATION.

THIS NOTICE IS REQUIRED BY MINNESOTA STATE LAW TO ADVISE POLICYHOLDERS OF LIFE, ANNUITY, OR HEALTH INSURANCE POLICIES OF THEIR RIGHTS IN THE EVENT THEIR INSURANCE CARRIER BECOMES FINANCIALLY INSOLVENT. THIS NOTICE IN NO WAY IMPLIES THAT THE COMPANY CURRENTLY HAS ANY TYPE OF FINANCIAL PROBLEMS. ALL LIFE, ANNUITY, AND HEALTH INSURANCE POLICIES ARE REQUIRED TO PROVIDE THIS NOTICE.

ATTENTION PROPOSED INSURED: PLEASE KEEP THIS NOTICE FOR YOUR RECORDS.

DEFINITIONS

<u>Premiums:</u>	Premiums are the payments you make on the insurance policy or annuity contract. They are unlike deposits in a savings or investment program, because if you drop the policy or contract, you might get back less than you paid in.
<u>Cash Surrender Value:</u>	This is the amount of money you can get in cash if you surrender your life insurance policy or annuity. If there is a policy loan, the cash surrender value is the difference between the cash value printed in the policy and the loan value. Not all policies have cash surrender values.
<u>Lapse:</u>	A life insurance policy may lapse when you do not pay the premiums within the grace period. If you had a cash surrender value, the insurer might change your policy to as much extended term insurance or paid-up insurance as the cash surrender value will buy. Sometimes the policy lets the insurer borrow from the cash surrender value to pay the premiums.
<u>Convert to Paid-Up Insurance:</u>	This means you use your cash surrender value to change your insurance to a paid-up policy with the same insurer. The death benefit generally will be lower than under the old policy, but you will not have to pay any more premiums.
<u>Place on Extended Term:</u>	This means you use your cash surrender value to change your insurance to term Insurance with the same insurer. In this case, the net death benefit will be the same as before. However, you will only be covered for a specified period of time stated in the policy.
<u>Borrow Policy Loan Values:</u>	If your life insurance policy has a cash surrender value, you can almost always borrow all or part of it from the insurer. Interest will be charged according to the terms of the policy, and if the loan with unpaid interest ever exceeds the cash surrender value, your policy will be surrendered. If you die, the amount of the loan and any unpaid interest due will be subtracted from the death benefits.
<u>Evidence of Insurability:</u>	This means proof that you are an acceptable risk. You have to meet the insurer's standards regarding age, health, occupation, etc., to be eligible for coverage.
<u>Incontestable Clause:</u>	This says that after two years, depending on the policy or insurer, the life insurer will not resist a claim because you made a false or incomplete statement when you applied for the policy. For the early years, though, if there are wrong answers on the application and the insurer finds out about them, the insurer can deny a claim as if the policy had never existed.
<u>Suicide Clause:</u>	This says that if you commit suicide after being insured for less than two years, depending on the policy and insurer, your beneficiaries will receive only a refund of the premiums that were paid.

DEFINITIONS

<u>Premiums:</u>	Premiums are the payments you make on the insurance policy or annuity contract. They are unlike deposits in a savings or investment program, because if you drop the policy or contract, you might get back less than you paid in.
<u>Cash Surrender Value:</u>	This is the amount of money you can get in cash if you surrender your life insurance policy or annuity. If there is a policy loan, the cash surrender value is the difference between the cash value printed in the policy and the loan value. Not all policies have cash surrender values.
<u>Lapse:</u>	A life insurance policy may lapse when you do not pay the premiums within the grace period. If you had a cash surrender value, the insurer might change your policy to as much extended term insurance or paid-up insurance as the cash surrender value will buy. Sometimes the policy lets the insurer borrow from the cash surrender value to pay the premiums.
<u>Convert to Paid-Up Insurance:</u>	This means you use your cash surrender value to change your insurance to a paid-up policy with the same insurer. The death benefit generally will be lower than under the old policy, but you will not have to pay any more premiums.
<u>Place on Extended Term:</u>	This means you use your cash surrender value to change your insurance to term Insurance with the same insurer. In this case, the net death benefit will be the same as before. However, you will only be covered for a specified period of time stated in the policy.
<u>Borrow Policy Loan Values:</u>	If your life insurance policy has a cash surrender value, you can almost always borrow all or part of it from the insurer. Interest will be charged according to the terms of the policy, and if the loan with unpaid interest ever exceeds the cash surrender value, your policy will be surrendered. If you die, the amount of the loan and any unpaid interest due will be subtracted from the death benefits.
<u>Evidence of Insurability:</u>	This means proof that you are an acceptable risk. You have to meet the insurer's standards regarding age, health, occupation, etc., to be eligible for coverage.
<u>Incontestable Clause:</u>	This says that after two years, depending on the policy or insurer, the life insurer will not resist a claim because you made a false or incomplete statement when you applied for the policy. For the early years, though, if there are wrong answers on the application and the insurer finds out about them, the insurer can deny a claim as if the policy had never existed.
<u>Suicide Clause:</u>	This says that if you commit suicide after being insured for less than two years, depending on the policy and insurer, your beneficiaries will receive only a refund of the premiums that were paid.

REQUIRED CALIFORNIA DISCLOSURE – For Universal Life Policies with No-Lapse Guarantees

This policy is guaranteed to stay in force for a specified number of years as long as you meet the requirements of the Policy, including the Minimum Monthly Premium provision found in the policy contract. This provision is also known as a no-lapse guarantee, and a general description of the provision is included in the Narrative Summary section of the Basic Illustration.

While this policy provides a no-lapse guarantee, it may provide nonforfeiture benefits, such as cash surrender values, which are less than those that would be provided if the guarantee were issued as a separate policy, such as a term policy. If a separate term policy has higher nonforfeiture benefits, the premiums for the separate policy might be higher than the premiums for the no-lapse guarantee provided in this policy. Therefore, when considering the purchase of this policy, you should compare the value of higher nonforfeiture benefits, such as cash surrender values, versus the premiums required to keep your insurance coverage in force.

REQUIRED SOUTH CAROLINA DISCLOSURE – For Universal Life Policies with No-Lapse Guarantees

If there is no policy debt or partial surrenders, this policy is guaranteed to stay in force during the no lapse period as long as you have paid the required minimum premiums. This guarantee could be provided by a separate policy (such as a term policy). However, the nonforfeiture benefits (such as cash surrender value) in this policy may be significantly less valuable than those provided by the separate policy. So, if you fail to pay a premium within a specified period of time from its due date or otherwise cause this policy to terminate early, the benefits paid to you upon termination could be much less than would customarily be paid if provided by the separate policy.

When thinking about purchasing this policy, you should consider the tradeoff you may be making between having significantly smaller nonforfeiture benefits (such as a cash surrender value) available to you upon surrender of the policy versus the reduction in premium, if any, you may receive for not having these benefits.
