NOTICE AND CONSENT FOR AIDS-RELATED TESTING

To evaluate your insurability, the Insurer named above, Protective Life Insurance Company, has requested that you provide a sample of your blood, urine, or saliva for testing and analysis to determine the presence of human immunodeficiency virus (HIV) antibodies. By signing and dating this form you agree that this test may be done and that underwriting decisions will be based on the test result. A series of three tests will be performed by a licensed laboratory through a medically accepted procedure.

Pre-Testing Considerations

Many public health organizations have recommended that before taking an AIDS-related test a person seek counseling to become informed concerning the implications of such a test. You may wish to consider counseling, at your expense, prior to being tested.

Meaning of Positive Test Result

The test is not a test for AIDS. It is a test for antibodies to the HIV virus, the causative agent for AIDS, and shows whether you have been exposed to the virus. A positive test result does not mean that you have AIDS but that you are at significantly increased risk of developing problems with your immune system. The test for HIV antibodies is very sensitive. Errors are rare, but they do occur. Your private physician, a public health clinic, or an AIDS information organization in your city might provide you with further information on the medical implications of a positive test.

Positive HIV antibody test results will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

Confidentiality of Test Results

All test results are required to be treated confidentially. They will be reported by the laboratory to the Insurer. The test results may be disclosed as required by law or may be disclosed to employees of the Insurer who have the responsibility to make underwriting decisions on behalf of the Insurer or to outside legal counsel who needs such information to effectively represent the Insurer in regard to your application. The results may be disclosed to a reinsurer, if the reinsurer is involved in the underwriting process. The test may be released to an insurance medical information exchange under procedures that are designed to assure confidentiality, including the use of general codes that also cover results of tests for other diseases or conditions not related to AIDS, or for the preparation of statistical reports that do not disclose the identity of any particular person.

Notification of Test Result

If your test results are negative, no routine notification will be sent to you. If your test results are reported by the laboratory to the Insurer as being positive, you are entitled to that information if you so desire. Because a trained person shold deliver that information so that you can understand clearly what the test result means, you are asked to list your private physician so that the Insurer can have him or her tell you the test result and explain its meaning.

Name of physician for reporting a possible positive test result: _____

Address: _____

If you do not wish to know the results of the test, initial here: _____. In the event the test is positive and you are denied coverage because of the fact and you request the reason for the denial, the insurer may require you to name a physician at that time in order to receive the information.

If you want to know the results of the test but do not at present have a private physician, initial here: _____ The result will be sent to you at the address provided by registered mail with delivery restricted to you only.

Consent

I have read and I understand this Notice and Consent for AIDS-Related Testing. I voluntarily consent to the withdrawal of blood, urine, or saliva from me, the testing of that blood, urine, or saliva, and the disclosure of the test results as described above. I have read the information on this form about what a test result means and understand that I should contact a local AIDS service group or my private physician for further information and counseling if the test result is positive.

I understand that I have the right to request and receive a copy of this authorization. A photocopy of this form will be as valid as the original.

I authorize Protective Life Insurance Company or its reinsurers to make a brief report of any personal health information to the MIB.

REQUIRED CALIFORNIA DISCLOSURE – For Universal Life Policies with No-Lapse Guarantees

This policy is guaranteed to stay in force for a specified number of years as long as you meet the requirements of the Policy, including the Minimum Monthly Premium provision found in the policy contract. This provision is also known as a no-lapse guarantee, and a general description of the provision is included in the Narrative Summary section of the Basic Illustration.

While this policy provides a no-lapse guarantee, it may provide nonforfeiture benefits, such as cash surrender values, which are less than those that would be provided if the guarantee were issued as a separate policy, such as a term policy. If a separate term policy has higher nonforfeiture benefits, the premiums for the separate policy might be higher than the premiums for the no-lapse guarantee provided in this policy. Therefore, when considering the purchase of this policy, you should compare the value of higher nonforfeiture benefits, such as cash surrender values, versus the premiums required to keep your insurance coverage in force.

REQUIRED SOUTH CAROLINA DISCLOSURE – For Universal Life Policies with No-Lapse Guarantees

If there is no policy debt or partial surrenders, this policy is guaranteed to stay in force during the no lapse period as long as you have paid the required minimum premiums. This guarantee could be provided by a separate policy (such as a term policy). However, the nonforfeiture benefits (such as cash surrender value) in this policy may be significantly less valuable than those provided by the separate policy. So, if you fail to pay a premium within a specified period of time from its due date or otherwise cause this policy to terminate early, the benefits paid to you upon termination could be much less than would customarily be paid if provided by the separate policy.

When thinking about purchasing this policy, you should consider the tradeoff you may be making between having significantly smaller nonforfeiture benefits (such as a cash surrender value) available to you upon surrender of the policy versus the reduction in premium, if any, you may receive for not having these benefits.

REQUIRED CALIFORNIA APPLICATION ENDORSEMENT

This Endorsement is part of the Application to which it is attached to replace the fraud notice with the following:

For your protection California law requires the following to appear on this form: Any person who knowingly presents false or fraudulent information to obtain or amend insurance coverage or to make a claim for the payment of a loss is guilty of a crime and may be subject to fines and confinement in state prison.

Signed for the Company as of the Effective Date, which is the Date of the Application.
